Introduction

The Bernard Turkus Collection has been formed over the past ten years and we have refined and upgraded it to the point that we now consider it a treasure. Seldom are we so fortunate to have the pleasure to offer for sale such an impressive assemblage of quality numismatic material, almost entirely from a single consignor.

Bernard Turkus takes great pride in having had the opportunity to assemble this incredibly nice collection, and now we are proud to share with you our enjoyment and pleasure in presenting the numismatic public the occasion to acquire these rare coins at this auction.

It is our professional opinion that collectors and dealers should personally examine these beautiful coins, as many of them are the finest known and probably Condition Census. Their pedigrees are illustrious, from such famous collectors and dealers as B. Max Mehl, Reed Hawn, The Gilhousen Collection, The Dr. Charles Ruby Collection, The Durham Collection, The Dr. Crouch Collection, The Gary Burghoff Collection, The Buddy DeSylva Collection, and the Dr. Davenport Collection.

BEGINNING OUR SECOND 50 YEARS . . .

The answer is simple.

Superior is where you'll find a completely professional staff whose devotion is attaining your satisfaction, from the initial contact and beyond. Our involvement is just a small part of the SUPERIOR approach. Find out why the "extras" are an everyday part of our auction program no matter how large or small the collection.

. . . IT'S THE SUPERIOR WAY

Orthopaedic Hospital

Mr. Mark Goldberg
Superior Stamp & Coin Co., Inc.
9301 Wilshire Boulevard
Beverly Hills, CA 90210

Dear Mr. Goldberg:

On behalf of the Los Angeles Orthopaedic Foundation and Orthopaedic Hospital may I take this opportunity to thank you and your fine firm for the assistance you provided to us in selling the Houston Barry and Charles LeRoy Lowman Collections of coins and stamps. The timeliness, professional manner and attention to the many "extras" provided by you and your associates were deeply appreciated.

As you know the proceeds of this sale will be used to fund a Research Fellowship in Pediatric Orthopaedics at Orthopaedic Hospital. The result of this Fellowship will allow us to broaden our services to even more children who have corrective orthopaedic needs. This has been our goal for the past 59 years. Your enthusiastic assistance in this endeavor shows your commitment to a better community. For this we salute you.

Please be assured that as further collections are received by us we will certainly invite you to auction them on our behalf.

Our best to Superior Stamp and Coin Co., Inc. during 1981.

Sincerely,

Jon B. Olson

WHEN NUMISMATIC HISTORY IS MADE . . . SUPERIOR IS THERE!

AUCTION '81 is just around the corner and represents a joint effort by four independent participating firms: Superior, Rarcoa, Paramount and Stack's.

*1793 Liberty Cap
Extremely Fine 40*

This year the sale will be held July 23-24 at the Hyatt Regency Hotel in New Orleans immediately preceding the A.N.A. Convention. Once again it promises to be the major numismatic event of the year, certainly comparable to AUCTION '80's record setting gross 13.5 million dollars.

*1793 Chain Cent
Extremely Fine 45*

Superior Stamp & Coin Co., Inc. proudly presents some of the most exciting coinage to be offered in its exclusive 500 lot session.

The highlight of Superior's session is the extensive selection of United States Large Cent Coinage. This section includes approximately 150 coins with the 1793 Chain Cent (Sheldon 3) and the Extremely Choice 1802 (Sheldon 234). All of the Large Cents are from a single collection and are without recent ped-

igree having been in storage for the last 40 years; completely unknown to the numismatic marketplace. Several are equal to the Finest Known specimens and are sure to create high-spirited bidder interest. There are also many choice, rare and Condition Census pieces in the late dates from 1816 to 1857.

*1909-S Eagle

Other United States coinage being offered in the sale is a superb group of United States Type Coins in both silver and gold highlighted by: 1795 Half Dime in Mint State

FOR NEW MAIL BIDDERS

If you have never before bid by mail, an explanation is needed. Basically, the procedure is quite simple. You will notice on the enclosed Mail Bid Form a place for entering the lot number as well as the amount you wish to bid. After carefully reading the description of the lot in question, simply write down the lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot # 145. Determine the maximum price you will pay for this lot and enter this amount on the Mail Bid Form as follows:

LOT	BID	LOT	BID
145	90.00		

You will note that we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price that you will pay for a lot (unless you have checked one of the increase boxes.) However, there is always the possibility that you may obtain the lot for less! As indicated in our "**Terms and Conditions Governing Sale,**" we act as your agent and execute your bids as if you were there in person at the sale. We will buy the lot for you as inexpensive as possible over the next highest bid. In other words, if your bid for example is \$90.00 on Lot # 145, and the next highest bid, whether by mail or floor is only \$70.00, the lot would be awarded to you at \$75.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read carefully our "**TERMS AND CONDITIONS GOVERNING SALE.**" Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the sale in person. Many rarities are obtained through the medium of auction sales, and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sales.

Thank you,

The Auction Department

Terms of Sale

1. This is an unrestricted auction and mail bid sale conducted by Superior Galleries (SUPERIOR).
2. All material shall be sold to the highest bidder. If any dispute arises during or immediately after the sale of a lot, the auctioneer shall have the right to recall the lot and put it up for sale again. In all cases, the auctioneer's decision shall be final. For the bidder's protection, **NO "UNLIMITED" OR "BUY" BIDS WILL BE ACCEPTED.**
3. Auction sales are strictly cash in U.S. funds payable through a bank in the United States. **LOTS MUST BE PAID FOR PROMPTLY.** No credit card purchases will be accepted. Bids cannot be accepted from those under 18 years of age without a parent's written consent.
4. Floor bidders who have not established credit with SUPERIOR must furnish satisfactory credit references or deposit 25% of their total bids for that session before such bids can be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded after that session.
5. Bids must be for an entire lot. No lots will be broken up. Lots will be sold in their numbered sequence unless the auctioneer directs otherwise.
6. All items offered in this catalogue are guaranteed to be genuine and as described. Claims to the contrary must be made within three (3) days after receipt of material. No lot may be returned without prior written consent.
7. This is not an approval sale. Bidders are expected to keep, and promptly pay for all lots for which they are the highest bidder as determined by the auctioneer. Floor bidders are encouraged to carefully examine all lots in which they are interested since **NO LOTS PURCHASED BY FLOOR BUYERS MAY BE RETURNED.** In no event may lots be returned after thirty (30) days from date of sale except for reasons of authenticity.
8. No commission is charged for executing your mail bids, and in all cases, the successful mail bidder will be awarded the lot at a nominal advance over the next highest mail or floor bid. Postage, insurance, and sales tax if required by law to be collected, will be added to the invoice on any lots that are shipped to successful bidders. If a mail bidder has not established credit with SUPERIOR, satisfactory credit references must be provided or the mail bidder must furnish 25% of his total bids for the sale before his bids can be accepted.
9. When identical mail bids are received by the auctioneer for each session, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid, and a floor bidder must bid higher than the highest mail bid to be awarded any lot. The auctioneer reserves the right to refuse any bids at his sole discretion.
10. The auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot.
11. Title to any lot remains with SUPERIOR until the lot is paid for in full. SUPERIOR reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his possession. Risk of loss is on the buyer.
12. All lots delivered in the state of California are subject to local sales tax. Individuals purchasing lots for resale must be prepared to submit an exemption certificate signed by the purchaser or his agent and recognized by the state of California, with their current resale certificate or number, or be subject to the local tax.
13. The auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing and able to pay.
14. All photographs in this catalogue are of the actual coins being sold.
15. **BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FORE-GOING TERMS AND CONDITIONS.**

TWENTY-CENT PIECES

- 511 1875-S. Mint State 60. Well struck with complete frosty mint lustre. Actually the coin appears to grade higher than Mint State 60, but the faint parallel lines on Liberty's leg and across the reverse cause us to be more conservative in the grading. Nevertheless, this would highlight any type set.

QUARTER DOLLARS

Capped Bust Type, Large Size

Very Rare 1821 Gem Proof Quarter

(See Color Plate 3)

- 513 **1821. Brilliant Proof 65.** This specimen is from our Auction '80 Sale, Lot 116 and described as follows: "1821. Brilliant Proof 65. The strike is outstanding, with full proof surfaces and overlaid with natural iridescent toning, darkening around the borders. Although the number of proofs is uncertain, speculation on the part of Walter Breen, is that probably a dozen exist, most of which have been cleaned or show signs of contact with other coins. This splendid proof specimen should easily surpass our conservative estimate." Ex Reed Hawn Collection (\$25,000.00 – UP)
